Re: ** vs. **
Our File No.: **

Dear **:

Enclosed herewith you will find a set of Interrogatories (written questions) concerning various aspects of your marriage. This set is a form approved for use in Domestic Relations cases, by the Florida Supreme Court, and you are required to answer each and every question. A similar set will be sent to your **.

I must have your cooperation in order to complete these questions and ask that you follow the instructions below. While we have not as yet received these from your **, we anticipate that we will be receiving a discovery package in the near future. I therefore suggest that you answer these as quickly as possible and make an appointment to discuss your answers.

1. Write the answer to each question beneath it in the space provided. If you do not have enough space to fully answer a question, use a separate piece of paper and attach it to the answers.
2. If any of the questions require a "no" or negative type answer, please write the word "no" below that question--do not leave it blank.
3. Complete each question fully and attempt to look up any information needed for the completion of that question, such as names and addresses.
4. If the question calls for a legal or technical answer, attempt to answer it, and I will review all answers with you before they are put in final form.
5. Return the completed work copy to me within the next week and schedule an appointment with the receptionist.

Sincerely,

BG:rs**
