About this Form: A bill of sale is a written agreement by which one party assigns or transfers its rights or interest in property to another party. This form below is designed for use on upon the sale of a boat or vessel. As it does not disclaim any warranties, the Seller warrants, by using this bill of sale form, that the boat is in good working condition and therefore can be held liable if the boat should experience mechanical or other failures in the near-term following the sale (usually about one year, depending on the state). Such a bill of sale is needed to confirm a party's ownership in the boat, which is often needed when trying to obtain insurance or otherwise proving ownership.
